  - Assistant Dean for Undergraduate Programs February 1996-August 1996
  - Chair of Economics Department April 1994-July 1996
  - Coordinator of MA in Economics July 1995-June 1996
  
- vii. Summary of Associate (Vice) Provost Duties

Lead and oversaw activities of entire academic budget, academic and research facilities, and academic and research personnel for the campus. I worked closely and collaboratively with the Executive Vice President and Provost (reported to) and his staff, university deans, faculty, college and department staff, all vice president's and their staff, and the staff of the Chancellor Office.
  
- viii. Summary of Associate Dean Duties (as the "chief operating officer" of the College)
  - Administration of general-fund budget of about \$12 million and nongeneral-fund budget in excess of \$4 million.

- Administration and general management of the College, including various degree of involvement on personnel matters at different time -- hiring of close to a 100 faculty, professional and classified staff, promotion and tenure, and merit allocations.
- Oversee activities and reporting units – MBA and other graduate programs, Undergraduate Programs Services Office, Assistant Dean for Undergraduate Programs, directors and coordinators, College Advising/Records/Registration, Business Information Center, Computer network and technology resource coordinator.
- Initiated, developed, and directed the establishment and the progress of the following new programs: International Business major (directed for the first 3 years), Executive MBA, Dual MBA-Law, and Dual MBA-Dental Medicine. Initiated, developed and established the MBA Career Services.
- AACSB Reaffirmation Activities: In addition to the general management activities of the associate dean, I planned, initiated, articulated, and coordinated all AACSB reaffirmation activities. I wrote more than 80 percent of the initial report (in 1998) and all responses to the team's pre-visit questions, and managed initial campus visitation by the Team (in 1999). My overall work in the College was one of the two written commendations made by the review team. In addition, I participated in activities related to 3 years of continuous review process.
- Coordinate the College's self-study for Program Review and for reaffirmation of accreditation by NASC.
- Oversee Programs assessment activities and reporting.
- Monitor contracts and grants.
- Participate in the Business Advisory Board meetings.
- Initiate and oversee curriculum revisions, particularly revamping the regular MBA Programs.
- Coordinate outreach and off-campus education activities.
- Act as Building Manager and as liaison with the University's Physical Plant for improvements. This includes space allocation, classroom scheduling, classrooms technological improvement, and property control and inventory.
- Coordinate and oversee administration of student evaluations of teaching, analysis, and distribution of results.
- Coordinate and participate in College's strategic planning process.
- Coordinate formation and activities of the College's committees and teams.
