

ECO 441 Fall 2011

Problem Set-1

Due by September 22, Thursday

Answer the following exercises from Stock and Watson textbook

1) 4.1

2) 4.2

3) 4.3

4) 4.9

5) On my website (faculty.unlv.edu/oeren), you will find a subset of the original data file CPS04 from Stock and Watson. Use that data set to answer the empirical exercise E.4.1 (You can not use the original data set since the original data set contains more than 1,000 observations). A detailed description is given in CPS04_Description, which is also on my website.

6) E4.2
