Assignment
1. If you have not yet incorporated all of the feedback you have received, incorporate that feedback now. Make your paper as good as you can.
2. Reread your entire paper. Make sure it is clear, complete, and coherent.

Tell us you are done
1. In BlackBoard, click on Assignments and select Project Assignment 9.
2. Briefly tell us that you have finished the assignment.
3. We will review your wiki and enter your grade there, under Project Assignment 9.
