Part 1
Complete Feedback Survey

We are nearing the end of the semester and I'd like to ask for your feedback. What did you like? What could I improve? What advice would you offer to future students? I very much appreciate the time you spend to share your thoughts.

Here you will provide feedback on the course by completing a short survey.

The survey is located at
https://unlv.co1.qualtrics.com/SE/?SID=SV_7UJFRskb9wA1Gex

At the end of the survey, there is a password. Write this down.
