Personnel Ratings

Those involved in this activity seemed...

1. friendly
2. excited about the subject
3. encouraging
4. interested in my future academic success

Overall Ratings

The activity...

1. was overall a great experience, worth taking class time
2. was well organized
3. helped me to assimilate the material learned in class
4. is something I plan to do in my own classroom given the opportunity

Activity Ratings

The activity I participated in seemed...

1. to add to my understanding of statistics
2. exciting, I'd like to learn more
3. confusing, I don't think I understood much of what went on
4. encouraging, I think I could incorporate this into my own classroom
