To Whom It May Concern,

My name is Owen Hambrook and I am the Head Men’s Tennis Coach. I have been working in the Athletic Department since 2000. I have been the Head Coach since 2003 and have enjoyed considerable success on the courts. However, I am most proud of the academic achievements our student-athletes have achieved in the classroom.

The Men’s tennis team is consistently at or near the top with a combined overall GPA of all Rebel sports. In 2005-06, Romain Massaro was named Most Outstanding Scholar-Athlete with the highest cumulative GPA of all UNLV Male student-athletes. In 2009, Mehdi Bouras achieved the same award. The English Language center has been a critical element to our success with 5 current student-athletes on the roster who have worked directly with Vicki Holmes and the English Language center.

In these tough times it would be a huge loss to see the English Language Center eliminated. The Center has been a critical part of countless students’ academic success over the years.

Sincerely,
