Task: Respond to the question below in 250 (well chosen!) words.

Due: Thursday, March 2

Reading: “The Typology of the Villa” in *The Villa* by James Ackerman, pp. 9-34.

Question: Ackerman states that “The villa inevitably expresses the mythology that causes it to be built” (30). What does he mean by the “mythology” of the villa and how can this mythology be expressed in architectural form?

Note: He does NOT mean the use of Greek mythological figures to decorate villas.

Format: Please give your essay a title and provide word count at end.

Evaluation: Essays will be graded on content, grammar, and syntax.
Each of the two WACI assignments counts for 2.5% of your final course grade.
