Prepare a first draft thesis proposal. Your draft will include a set of section headings. Under each heading will be a concise list of information to be included in that section. I will not accept paragraphs, prose or even complete sentences. The only exception is that your hypothesis may be stated as a complete sentence.

This assignment is to be turned in at the beginning of class on 10/15/07, and you should be prepared to discuss your topic with your classmates and myself.
