Prepare a more detailed draft thesis proposal. Your draft will include a set of section headings. Under each heading will be a list of information to be included in that section. Each list item should be a well developed thought; however, I will not accept paragraphs and will be very skeptical of complete sentences. You are to discuss this draft with either myself or your advisor (maybe both) before submitting it.

This assignment is to be turned in at the beginning of class on 11/5/07, and you should be prepared to discuss your topic with your classmates and myself.
