Introduction to Lectlet Format

Russell T. Hurlburt
University of Nevada, Las Vegas

Three parts of the lectlet display:

- Blackboard (this part here). The Proceed button is just below the blackboard.
- Button bar (at the bottom). Click Help now.
- Lectlet Audio Player

Wait! Don't click Proceed until you've given your computer time to load the audio. It may take a few seconds.

You should hear Dr. Hurlburt's voice talking to you while you read this screen. If you don't hear his voice, look in the upper-left corner of the window. Does it say 'Launch page 1 audio'? If so, click that link to start the audio.
