Get Started with Pearson’s MasteringChemistry

First, make sure you have these 3 things...

**Email:** You'll get some important emails from your instructor at this address.

**Course ID:** A Course ID looks something like MCprofessor12345. Ask your instructor for your Course ID!

**Access code or credit card:** The required access code comes either with your book or by itself at your bookstore. Alternatively, you can buy instant access with a credit card or PayPal account during registration.

Next, get registered! Course ID Code TIRRICHEM103SPRING2014

1. Go to [www.masteringchemistry.com](http://www.masteringchemistry.com). Under the large Register Now section on the right side of the page, click the Student button.

2. Read the onscreen instructions and select your location. Next, check off whether or not you have an Access Code. Click Next.

3. If you don’t have an access code, select your textbook (correct title, author, and edition) and whether you want an eText. [“Basic Chemistry,” Timberlake & Timberlake, Fourth Edition, snowflake cover]

4. You’ll then be asked to Accept the License Agreement before moving on. After this, either Create a new Pearson username/password, or, if you’ve already registered for another Pearson product (i.e. MyMathLab), enter that username/password. If you have an Access Code, enter it on the bottom of the page.

5. On the next page, fill out the appropriate information fields then click Next. If you entered an Access Code, you will be brought to a page from which you can access your product. If not, enter your payment information so that you can Purchase Access, after which you’ll be granted access.

6. You are now registered! Now, it’s time to enroll in your course. Click Log In Now. Once signed in you can: enter your Course ID (listed above) and your Student ID (NSHE ID Number). If you don’t have a course ID, you can join a course and launch the eText or study area. That’s it!
