```

If you drive state or other government agency official vehicle, you could park at either staff or student spaces in the parking garage and you do not require parking permit. If you drive any other vehicles, you may need to have a permit. **Please let us know if you need a parking permit by 2:00 PM on September 3, 2009.** Depending on your response, we will have a student distributing parking permits at the first floor near the elevator on the West side of the garage.
